RE: California Black Media's AIDS Article in the Inland Empires, Westside Story Newspaper

Regina Brown Wilson, California Black Media Executive Director,

(This Letter was emailed to your email address info@cablackmedia.org on 12-14-2023)

Seeing a Article in the Westside Story Digital Newspaper, in the Inland Empire, the article on "World AIDS Day 1st December, Supporting Rep. Barbara Lee Marks World AIDS Day with Critical Plea To Congressional Colleagues", was interesting, however, if the Truth About AIDS was better understood by Black People, maybe a better solution could be obtained, based on the Facts About AIDS and other Diseases.

AIDS is a Man-Made Genetically Engineered Biological Weapon, the same as EBOLA and spread through Vaccinations Programs, documented by Robert B Strecker MD, PhD & his brother, Attorney Theodore A Strecker, who submitted the Historical Document, **"This Is A Bio-Attack Alert", March 28, 1986**, to every U.S. Government Agency, Congress, Senate, FBI, CIA, NSA, Dept. of Agriculture, Vice-President and President of the United States. Illinois State Rep., Douglass Huff Jr. was the only person to act and later found No Longer Among The Living, along with Attorney Theodore A Strecker.

Robert B Strecker MD, with a PhD in Pharmacology said:
"THERE IS NO PROOF ANY VACCINES CURE ANYTHING"

The AIDS Virus needs a Protein Enzyme called, **"Reverse Transcriptase"**, in order for the AIDS Virus to replicate within the Human Body. The Natural Cure, or Remedy is "Olive Leaf Extract", which "Inhibits The AIDS Virus From Replicating, by Blocking the Protein Enzyme, **"Reverse Transcriptase"**. Natures Natural Biological Chemicals, one of which is "Oleuropein", works with other Natural Chemicals within the Olive Leaf Extract preventing AIDS in the Human Body. Although Scientists are aware of this, their solution as usual, is to synthesize the Olive Leaf Extract to obtain a synthesized version of the Natural Chemical "Oleuropein". The reason the Drugs and experimental vaccines do not work is because Nature is using a number of Natural Chemicals within the Olive Leaf Extract and Natures Combination is the only Natural Solution against AIDS, other than some diets.

It's unfortunate for Black People, especially Professors, Doctors, Pediatricians', Nurses, Social Organizations, Political Organizations & Churches, not to be better informed about Human Health and the fact these drugs, vaccines and other experimental therapies pose more harm than good. **When the Nation of Islam successfully used Kemron for AIDS, they were stopped, because it worked.** The Japanese product Kemron actually helped the Human Body to naturally produce Hydrogen Peroxide, which is known to destroy disease, viruses, bacteria, fungus and other pathogens'.

To better understand why Black People aren't helped, please look in the Folder Titled, "Negroes" and read the letter to Tyler Perry. You can find this folder on Archive.org/details/@umojaresearch. (After thirty years of Private Research this is my conclusion)

Should you truly be concerned with AIDS, please read "This Is A Bio-Attack Alert", attached and supported with "The Strecker Group Reference List".

UMOJA Research HAS NOTHING FOR SALE

Especially for those of you within the California Black Media, your Friends & Families, please note, the Black People of Kemet, Kush & Egypt gave the Truth About Human Health and this is the simple Truth for Good Health & Long Life;

1. **Clean Colon**
2. **Clean Lymphatic System**
3. **Clean Blood**
4. **Clean Skin & Hair**
5. UMOJA Research added, Clean Natural Biological Clothing, Not Synthetics

Those Ancient Black People also said, "The Cells Must Obey The Supreme Law, Do No Harm", long before Hippocrates was born. In 1855, Dr Rudolf Virchow Scientifically Proved, **"The Cells Feed Themselves"** and will not take in anything harmful to the Human Body, which currently includes, Drugs, Vaccines, Synthetic Foods, Synthetic Baby Formulas, Synthetic Vitamins, Synthetic Minerals, or any of the Synthetic Foods, or Microwave Foods, which Russian Scientist proved, Foods Cooked In Microwave Ovens Go Through A Molecular Change & the Body Doesn't Know What To Do With It? none of which contain Biological Chemicals, Vibrational & Electrical Energies, which support Life at the Cellular Level.

The idea some Drug, or Miracle Vaccine will Heal People is the furthest thing from the Truth. Many of the organizations involved are basically experimenting on people to find a Synthetic Chemical, which can be patented for "Profits Over People".

Although my intent during Sabbatical from Los Angeles Trade Technical College was to work towards Mechanical Engineering, I was given a Spiritual Choice to choose between two Paths and no matter which path chosen, there would be success. The choices were to complete Mechanical Engineering, or find the Truth About AIDS & Human Health. I chose the latter.
